

**Thank you for visiting our website.**

I hope this glimpse of what we are, and what we offer to visitors will encourage you and your family to visit, to then enjoy the full range of truly fascinating, beautiful, quirky, and deeply interesting exhibits, objects which possess a patina, the used things, warm with generations of human touch, and all essential to our human landscape.

Our museum is also our home, and we look forward to welcoming you into our home to visit a past which offers a unique insight into the life and times of our people.

Kindest Regards.
